

HOSE / CONVEYORS INCORPORATED

PROUDLY SERVING PULP & PAPER FOR OVER 40 YEARS

PULP & PAPER

Hose/Conveyors Inc. has been a key supplier throughout the Pulp and Paper supply chain. From Hydraulic hose and fittings to PT products to conveyor belting and components. Whether it's in the yard, in your processing or finished product handling. HCI has your material handling and fluid power needs covered.

HCI can supply all your washdown, heavy duty Air&Water, steam, hot air blower and material handling hose needs. From bulk hose to custom assemblies and all the fittings and adapters for your connection needs. Plus the Gates hydraulic hose products for your equipment and forklift needs.

Whether you need a complete conveyor or replacement parts HCI is here for you. From screw conveyor to belt conveyors. From PT products to pulleys and rollers. Fabricated belting with cleats and lacing for your repair needs.

*Wood chip/mulch ducting
and suction hose.*

*All Belting and conveyor
component products*

*Fittings, Couplings and adapters
for all applications*

HOSE APPLICATIONS

Air & Multipurpose	Fertilizer Transfer	Tank Truck	Spray
Push-On	Grain Handling	Acid (Chemical, Transfer)	Steam
Agriculture Spray	Grass & Lawn Vac	Cleaning Equipment	Vacuum
Hot Air	High Pressure Washer	Food Transfer	Water (Suction/Discharge, Washdown)
Hot Tar	Paint Spray	Food Washdown	Hydraulics
Beverage	Paper Mill	Material Handling (Abrasives, Bulk Transfer, Cement & Concrete)	Stainless Steel Teflon
Brewery	Pot Room	Petroleum (Transfer, Dock)	Metal hose and assemblies
Dust collection	Sand Blast		
Garage Exhaust	Sewage/ Sludge		

HOSE ACCESSORIES

Banding & Clamps	Couplers & Connectors	Valves	Abrasion sleeving
Caps & Plugs	Cam & Groove Fittings	Quick Disconnect	Hose Reels
Hydraulic fittings & Adapters	Swivel Joints	Bend Restrictors	Air & Water Nozzles

FLUID POWER & PNEUMATIC COMPONENTS

Clamps	Hydraulic Adapters	Pneumatic push connect fittings	Test Points
Cushioned Clamping & Support Systems	Hydraulic Motors, Pumps, Tanks	Pressure Gauges	Tubing (Tube bending, flaring and Assemblies)
Expansion Joints	Manifolds	Quick Connects (Hydraulic & Pneumatic)	Valves (ball, needle, check, flow control)
Filter / Regulator / Lubricator	Nipples & Fittings (Brass, Steel, Stainless, Plastic)	Swivel Joints	

BELTING APPLICATIONS

Sand & Gravel	Dairy	Road Construction	Mining
Agricultural	Elevator	Processing	Grain & Mill
Food	Recycling	Printing & Graphics	OEM Equipment
Bakery	Timber - Wood	Pulp & Paper	Manufacturing
Meat & Poultry	Package Handling	Machine Tapes	

BELTING TYPES

Rubber	Silicone	Flat Wire	Volta (Superdrive)
PVC	Thermo Plastics	Plastic Modular	Mectrol
Urethane	Metal	Chain	Specialty Profiles
Teflon	Wire Mesh		

RUBBER PRODUCTS

Lagging	Matting	Sheet rubber	Skirtboard
---------	---------	--------------	------------

CONVEYOR COMPONENTS

Bearings	systems	Idlers (flat, return, impact)	Sheaves
Belt Cleaners	Bushings	Motors	Shafting
Belt Fasteners & installation tools	Chain	Motorized Pulleys	Skirting & Skirt Clamps
Belt maintenance tools	Elevator Bolts	Pulleys (Head/Tail)	Teflon (sheet or rod)
Belt Positioners & trainers	Elevator Buckets	Pulley Lagging	UHMW (sheet or extruded)
Belt Tracking Idler	Electric motors	Rollers	V-belts, HTD, Timing
	Gear Boxes	Screw conveyor parts	
	Guide Systems
